State Paperwork for 2016-2017

If your child is re-enrolled for next school year, I will send home the state paperwork for it next week. I would highly suggest filling it out and returning it throughout the summer. It must be returned by the first day of school. For our friends who have birthdays May through August, take the health assessments with you when you have their wellness check-up and ask for a copy of their shot records to eliminate an extra visit.

All state paperwork must be filled out new each year. State does look at every line, please fill in everything.
